maybe you can click  
on the course widget  
and it will expand

to include further information  
(similar to the schedule builder  
app developed by U of C)

what to include here will  
be more obvious as we  
develop further.

this will look prettier

| CPSC 535 - Introduction to Image Analysis and Computer Vision |
|---|
| Prerequisites: Math 311                                       |
| Last Offered: Fall 2014 by<br>Jeffrey Edwin Boyd              |

should point out possibly  
defunct courses.

while CPSC 535 is still in  
the CPSC course listing,  
it has not been offered  
since Fall 2014 and its  
graduate course equivalent CPSC 635  
has not been offered  
since Fall 2017.
